CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The subjective aspects in the various departments are delivered through a planned mechanism with the aid of various tools and processes. A claroutine is prepared before the beginning of every academic session by a Routine Committee, which is entrusted with the task of allocation of appropriate classrooms for various subjects. Every department is required to maintain a LESSON PLAN CUM RECORD OF CLASSES which has replaced the earlier DAILY CLASS MONITORING DIARY, which is an authentic record of all the classes taken by the faculty members. The fundamental characteristic of this arrangement is that, there are separate registers for every paper/ course and at the completion of the syllabus, onethird of the students are required to certify that the syllabus of the respective paper has been entirely covered by the respective teachers. In addition, A HOD DIARY is being introduced from the 2019-20 session, wherein the heads of different academic departments are required to keep record of the day to day departmental affairs. Practical classes are being held as per allotted schedule in the class routine, but for final year students, practical classes of the major course subjects are held in the department outside the fixed schedules, if necessity arises, since these batches of students do not have to attend general course classes in other departments and hence remain for the whole day in their major course department. Departmental Advisory Committee meetings are convened by the Heads of Departments at regular intervals for taking making assessments of syllabus completion status by the individual faculty members, as well as for planning for other academic activities like holding of student seminars, field works, class tests, allotment of assignments, etc. In subjects where field works/ institutional visits are mandatory and part of the syllabus, the heads of departments either allocates the field-in-charges for any upcoming field work or it comes as a voluntary agreement on the part of the teachers. The field-in-charges makes arrangement for planning the journey schedule and takes care of all logistic requirements that might arise in connection with the field works viz. planning of the schedule, purchase of tickets, arrangement of stays, arrangement for local transportation, tie-ups with other institutional heads (in case of institutional visits), and finally assisting the students in the preparation of the field reports. The field reports are normally returned to the students as there is shortage of storage space in the departments, but one or two

exceptional reports are retained back in the respective departments. In departments like Geology, the home assignments submitted by the students are being stocked in the department, which forms a good source of reference material to the students. Students are also made to deliver seminars on topics allotted in their respective syllabus in some departments, mainly through powerpoint mode. The internal assessment marks of the students are allotted variously on the basis of different parameters like class attendance, student seminars, home assignments, proctorial classes etc. 1.1.2 - Certificate/ Diploma Courses introduced during the academic year Dates of Skill Certificate Diploma Courses Duration Focus on employ Introduction ability/entreprene Development urship NIL NIL Nil 0 NIL NIL 1.2 – Academic Flexibility 1.2.1 - New programmes/courses introduced during the academic year Programme/Course Programme Specialization Dates of Introduction Nill NIL Nill View Uploaded File 1.2.2 - Programmes in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the academic year. 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback was obtained from various stakeholders like teachers, students and guardian during the current assessment year. As regards to the Students Feedback, it was executed in the offline mode on a single day in the entire departments. The data sheets generated, was handed over to an external agency for data analyses and the feedback report provided in two sections. Faculty members of every department and other stakeholders like library and office staff were provided the feedback scores individually by the Principal in a standard format designed by IQAC. In a second phase, feedback of the guardians was taken from every department in the offline mode. The opinions and suggestions advocated by the guardians were studied by the IQAC and a list of grievances prepared. The issues raised were discussed in the IQAC Core Committee meetings for seeking possible remedial measures. Some issues like change of contract for canteen and change of administrative procedures were sent to the Governing Body for appropriate approval. The IQAC has requested the principal on different occasions to redress various pertinent grievances raised during the stakeholder feedback process. As a fall out of the feedback, it was decided to constitute a Guardians' Forum in the college, with a view to involve the guardians in the overall qualitative improvement of the institutional ambience. This forum along with the forum of retired teachers/ principals of the college and the alumni association has been brought into a common/joint platform for their empowered involvement in the redress of certain grievances. Moreover, members of these stakeholder groups are also involved with IQAC for their say in the decisionmaking process. Apart from the formal feedback system as envisaged and prescribed, the administration also takes heed of nonformal feedback from the various stakeholders blended with individual jurisprudence on the part of the principal (as the administrative head) and the Governing Body for planning and executing various developmental works in the institution for its overall development. Informal interaction with the various stakeholders on different occasions has also led to the formation of ideas and opinions regarding developmental aspects of the institution. The parentteacher meetings held at various departments has served to elicit opinions from the guardians on various developmental aspects of the institution. The institution has a close bonding with the nearby Ambabhona locality (where the college is situated). The local people frequent the campus for a variety of reasons and informal interaction with different individuals of the institutional locality has become more of a routine affair. Several ideas on important Developmental aspects have crystallized in that way also.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

As the internal evaluation system for various courses and programmes is being done under the guidelines prescribed by the affiliating university, it is not possible to undertake massive reforms in the CIE system. Apart from the sessional examinations, some departments also adopt certain internal evaluation procedures like student seminars, class tests, home assignments, etc. It is ensured that the sessional examinations (as envisaged by the university as part of the CIE), are carried on smoothly and in a hasslefree manner. A designated committee is appointed by the Principal, which is responsible for preparing a subjectwise examination routine for the various academic departments. The departments normally holds the examinations as per this prescribed routine, but sometimes makes slight adjustments under unwarranted circumstances and as per convenience of the students. The faculty members of the individual departments after completing the tasks of question paper setting sends the hard and soft copies to the designated committee which takes the task of finalizing it in the printed form, after which the question papers are supplied back to the departments in the required quantities. The committee also undertakes the responsibility of sending blank answerscript booklets in the required quantities to the individual departments well ahead of the examination schedule. The invigilation duties on the examination dates are given by the faculty members from the respective departments. The answer scripts are evaluated at the departmental level and the marks retained till the termend examinations, when it has to be sent to the university.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

An academic calendar is prepared by the institution under the active supervision of the IQAC. This is prepared after publication of the affiliating university's (Sambalpur University) academic calendar cum holiday list. The

calendar is uploaded in the institutional website and also circulated through the WhatsApp groups of students in various departments. The practice of printing hard copies This calendar incorporates various important events and activities planned during the academic year viz. tentative schedule of the various examinations, field visits, different inhouse activities/events like observance of college annual foundation day, annual college week celebration, college general freshmen social and departmental freshmen social functions, student union elections, etc., in addition to the list of various important holidays during the year. However, different miscellaneous events/celebrations, mostly events that are conducted/ held at short notices or within short preparation schedules are excluded from the purview of this academic calendar. Sessional examinations are conducted as per schedule as outlined in the academic calendars. This is not applicable in the context of termend examinations, as these examination schedules are decided by the university authorities. The academic calendar is printed in the HOD Diary for day to day reference.

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The procedures and policies for utilizing various facilities vary in different extents. The classrooms are of two categories, viz. departmental and common. The former types are exclusively meant for holding respective classes of the department, while the latter category is shared by many departments as per the central class routine. These rooms are also used exclusively during the examination time, as decided by the individual examination committees appointed for the different examinations. The policies for using the college library are outlined in detail in the college prospectus as well as the college website. The computers in the different academic departments are used by the academic staff and the students as well for different purposes, the former using those for administrative and academic purpose while the latter for academic usage like preparation of field reports, accessing web resources, elearning resources, practical works, etc. For such usages, there is no formal policy devised. The college canteen is monitored by a Canteen Monitoring Committee, which looks into the qualitative aspects. The canteen functions on a lease basis with private partners. Laboratories in IT Education departments functions under the strict control of the respective departmental heads and the laboratory bearers are responsible for maintaining the laboratory facilities, under instruction from the departmental heads. The Mahatma Gandhi Degree College Publication Annual Magazine "SWAYAMSIDDHA" functions under a designated committee appointed by the Principal. There is a Sports and Games Promotion Committee for maintaining the sports infrastructural facilities like the Basket Ball Court and the Sports Library. The day to day general cleanliness of the classrooms, toilets and campus is made on monthly basis, while the garbage generated inside the campus is daily collected by Panchayat garbage vans. A private electrician looks at the maintenance the electrical works.

5.4.4 – Meetings/activities organized by Alumni Association :

During the current assessment year, meetings were held both by the centralized alumni association (MGDCAA) of the college as well as the departmental units. The MGDCAA held 5 meetings on 19.08.2018, 02.09.2018, 30.09.2018, 18.01.2019 and 31.05.2019. Departmental unit meetings were held in 05 different departments, viz. Education, Hindi, History, Political Science, Odia. Apart from meetings, MGAA is also involved in activities like plantation programs inside the campus.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

1. IQAC took active initiative to include student members in 18 more in house committees. Career Counselling Cell, Academic Committee, Library Advisory Committee, Sports and Games Promotion Committee, NSS Advisory Committee, Students' Grievance Redressed Cell, Canteen Monitoring Committee, Students' Counselling Centre, Anti Ragging Committee, RUSA and Internal Quality Assurance Cell, PMMMNMTT Advisory Committee, Administrative Committee, Cultural Committee, Youth Red Cross Committee, Sexual Harassment Committee, Self Defence Committee, Purchasing Committee, Research and Innovation Committee, Examination Committee, Construction Committee, Parent-Teacher Committee, Alumni Committee and Admission Committee. The student members are invited accordingly to the committee meetings and hence become stakeholders to the various resolutions taken. 2. The IQAC has taken active initiative to set up a guardians' forum in the college. A guardian feedback was collected by IQAC in a standard format. Subsequently, IQAC organized a meeting of the guardians on 29.09.2018, wherein guardians of all enrolled students were invited through the respective departments. After detailed deliberations, a Mahatma Gandhi Degree College Guardians' Forum (MGDCGF) was formed. This initiative is the first of its kind in the State. The IQAC, vide another resolution taken in the Core Committee meeting held on 29.09.2018 (Resolution No. 2018/05) has obtained Governing Body approval for inclusion of additional stakeholders in the IQAC Core Committee.

Accordingly, the IQAC Core Committee has been reconstituted, vide Principal's notice dated 28.12.2018, in which 3 additional stakeholders were incorporated viz. the President (Mahatma Gandhi Degree College Alumni Association), and President (Mahatma Gandhi Degree College Guardians' Forum). The IQAC Core Committee meeting with the MGDCGF held on adopted a number of important resolutions for the qualitative growth of the institution. It was resolved to declare the college campus as No Plastic Zone, framing of functioning guidelines/ Constitution for MGDCGF, widening the membership base and mobilization of the members for carrying out certain activities.

6.1.2 – Does the institution have a Management Information System (MIS)?

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1.Title of the practice: Mentor Mentees practise. Objective of the practise: To make the students more acquainted, free and frank with the faculty. It helps the faculty to understand every problem of the students become easy to council them for their improvement. The context: Mentor Mentees format is prepared by the College where all the data and information regarding the students are to be noted down. All the faculty members are mentor and the students are mentees. All the students are equally divided by numbers of faculty and each faculty is the mentor of a group of students (mentees). The practice: Mentor Mentees forms are distributed among all the students to fill-up all the required data and information, and then they return the same to their respective mentor. Mentor collects other information regarding any problem, development, result and other activities of the mentees under him. Mentor tries to resolve the problem of mentees and take care of the improvement of the mentees in each and every aspect. Evidence of success: Shyness nature of students has reduced and they are becoming more free and frank with their mentor. Students are becoming more enthusiastic to participate in different co-curricular and extracurricular activities. It is expected that the dropout rate will reduce. Problems Encountered and Resources Required: To carry out the mentor mentees activities perfectly time factor is a major problem. To check the dropout rate the sometime the mentor has to visit the residence of concerned mentees to interact with their parent and council them. 2. Title of the practice: Felicitation of the students. Objective of the practice: To develop the competitive mentality

among the students. The context: Every year from all the departments highest marks securing students are enlisted and for overall best performer student is selected as "Best student of the year" for felicitation. The practice: HOD of all departments are advised to give the list of highest securing marks of the students. PET provides the list of best performer list of the annual sports and College staff council select a student as "Best student of the year". For the best student of the year following parameters are considered: activities in academic, sports games, leadership quality, cultural activity etc. Those enlisted students are felicitated in the annual function of the College with some attractive prizes. Evidence of Success :-After implementing felicitation programme ,competitive mentality grow among the students , as a result of it pass percentage has increased,students are selected to represent for university in different games and sports . Problems Encountered and Resources Required: Lack of funds is the major huddle, besides that scrutiny of the perfect student for best student of the year.
