15. Multidisciplinary / interdisciplinary

The institute endeavors team-taught courses in which students are asked to understand a single subject as it is seen by two or more traditional disciplines. It opens students' eyes to different views of a subject. At different levels of functioning, as a teacher and mentor, guidance is provided to make students aware of the pressing issues and challenges so that they can engage themselves in a multidisciplinary field if an opportunity comes. The college includes projects, industrial visits, and a curriculum on subject areas like consumer protection, Human Rights, Pollution control, climate change, sustainable development, soil conservation, etc.

16. Academic bank of credits (ABC):

Entrusted with responsibilities such as opening, closing, and verifying the individual academic accounts of students, the college takes steps to create the ABC of the students, integrating it with schemes such as NPTEL, SWAYAM, and V-Lab. The credits stored in the individual account of the students will give them a much larger scope of freedom interim of their academic career choices. It will also be responsible for gathering the academic credits earned by the students from their respective higher education institutions, verifying them, and promoting them. Since NEP 2020 is implemented, ABC is the top most necessary part of a student for free choice in Higher Education.

17. Skill development:

The college concerns more with the empowerment of students' professional skills, soft skills, ethics, morality, and values. The students gain an arsenal of skills like problem-solving, critical thinking, time management communication, analysis and research methodologies, and teamwork. It is designed to create high-quality human resources. The enhanced skill may help them to meet the professional challenges of completing of Higher study.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture,

using online course)

Indian knowledge system includes integration of the knowledge from ancient India to modern India which envisages aspirations with regard to education, health, environment, technology, etc. These elements will be incorporated in an accurate and scientific manner. Learning of ancient classical literature, Artha Shashtra, community feelings in folk culture, Vedic culture, traditions, etc helps to churn out future courses. Mathematics, philosophy, Yoga, and literature of today are an integral part of Indian ancient culture and learning. Thus integration of the past with the present learning is also included in our curriculum.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college will focus on research and innovation, through focus on industry academic linkage and interdisciplinary researches through internship with local industries and business establishments. Students will actively engage themselves with practical aspect of their learning and thus they can improve their employability. Research will be conducted in the areas like infectious diseases, instrumentation, conservation of natural resources, to develop entrepreneurship among students in the field of agriculture and industry. Hand holding mechanisms will be developed among students to promote innovations in collaboration with local industries and business establishments.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college's mission is to help the students not confine themselves to the curriculum but rise above it and be serviceable to society. The college functions under the guidance of a Govt. nominated Governing Body of which the principal acts as secretary and two senior staff members act as staff representatives. All teachers are in charge of various committees like Academics, Examination, construction, Discipline, planning, NSS unit, YRC unit, etc. The staff council is the highest body to decide the

policy on academic matters. The Governing Body analyzes the college's academic, financial, and extra-academic achievements and suggests suitable measures. Teachers in charge of various committees on curricular and extracurricular activities prepare action plans at the beginning of the academic session. Besides this, the IQAC also brings the self-appraisal report to the staff members' knowledge, and any loophole that comes to view is repaired. Student representatives groom as leaders in executing their responsibilities. The teachers are given independence to deal with matters relating to the various committees they head. Thus there is ample opportunity for the promotion of leadership quality among the students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice-I

Title- Enhancing ICT Skills for Teaching and Learning

Information Communication Technology in education has the potential to transform teaching Student motivation for the use of ICTs for up gradation of their knowledge. Due to ICTs importance in society as well as in the future of education, identifying the possible challenges to integrating these technologies in College would be an important step in improving the quality of teaching and learning. Considering the students' different backgrounds and problems, an attempt is made to identify the students who need to learn computers, and a certificate course in basic computers is conducted for them, making them familiar with computers. The students are familiar with the use of computer and Improvement of their communication skills, develops confidence & self-esteem.

Best Practice-II

Title-Women Empowerment

"There is no chance for welfare of the world, unless the condition of the women is improved." Believing in these words of Swami Vivekananda, the college focuses on the activities related to women empowerment. Student Welfare Committee and Vidyarthini Manch in association with the college committees, NGOs and various organizations have organized activities like self-defense techniques; lecture series on health and hygiene, legal awareness; workshop on home management and hospitality management etc. All these activities have made the students believe that women are the nurturers, custodians and bearers of social tradition.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college's mission is to help the students not confine themselves to the curriculum but rise above it and be serviceable to society. The college functions under the guidance of a Govt. nominated Governing Body of which the principal acts as secretary and two senior staff members act as staff representatives. All teachers are in charge of various committees like Academics, Examination, construction, Discipline, planning, NSS unit, YRC unit, etc. The staff council is the highest body to decide the policy on academic matters. The Governing Body analyzes the college's academic, financial, and extra-academic achievements and suggests suitable measures. Teachers in charge of various committees on curricular and extracurricular activities prepare action plans at the beginning of the academic session. Besides this, the IQAC also brings the self-appraisal report to the staff members' knowledge, and any loophole that comes to view is repaired. Student representatives groom as leaders in executing their responsibilities. The teachers are given independence to deal with matters relating to the various committees they head. Thus there is ample opportunity for the promotion of leadership quality among the students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice-I**Title- Enhancing ICT Skills for Teaching and Learning**

Information Communication Technology in education has the potential to transform teaching Student motivation for the use of ICTs for up gradation of their knowledge. Due to ICTs importance in society as well as in the future of education, identifying the possible challenges to integrating these technologies in College would be an important step in improving the quality of teaching and learning. Considering the students' different backgrounds and problems, an attempt is made to identify the students who need to learn computers, and a certificate course in basic computers is conducted for them, making them familiar with computers. The students are familiar with the use of computer and Improvement of their communication skills, develops confidence & self-esteem.

Best Practice-II**Title-Women Empowerment**

"There is no chance for welfare of the world, unless the condition of the women is improved." Believing in these words of Swami Vivekananda, the college focuses on the activities related to women empowerment. Student Welfare Committee and Vidarthini Manch in association with the college committees, NGOs and various organizations have organized activities like self-defense techniques; lecture series on health and hygiene, legal awareness; workshop on home management and hospitality management etc. All these activities have made the students believe that women are the nurturers, custodians and bearers of social tradition.
